To Whom It May Concern;

We at Brookhaven Art & Music would greatly appreciate your business advertisement in the 2017-2018 concert program series. As some of you may already know, Brookhaven Art & Music is a local not for profit organization that serves young musicians and their families in Suffolk County. BAM sponsors several local youth programs; the Summer Music Camp at Three Village in Setauket NY (a summer program for over 500 participants and their families) as well as The Young People's Orchestra & BYE Chorus in Bellport NY.

We are currently preparing for our summer concert series that will take place during July & August including both the Summer Music Camp in the Three Village School District and the Bellport Youth Ensembles. Your support not only helps maintain community music organizations like Brookhaven Art & Music but encourages families to shop locally.

Brookhaven Art & Music concert programs are read and saved by over 800 families and their friends who are interested in the music education of their children. For those of you who have advertised with us in the past, we thank you in advance and hope you will once again join us this summer. If you have not advertised with us, we ask that you consider including your business in our concert programs. This is reasonably priced opportunity to highlight your business to a specific target audience as well as help support the local arts. We thank you for your time, consideration and support in advance.

If you are interested in advertising please complete the attached form, email your digital ad and return by the July 1st 2017 deadline.

Sincerely,

Phil Gelfer
